In celebration of #WorldCommunicationsDay, the 2022 Cardinal Foley Award for Excellence in Communications was presented today at St. Charles Borromeo Seminary to Jim Gardner, the legendary anchor of 6abc Action News ... who delighted us with his recall of his journalistic interactions with three popes! (Thanks to Mike Walsh @Catholic Star Herald for the photo!)

I had a great day today at St. Charles Seminary. It was the site of the 2022 John Cardinal Foley Symposium and presentation of the Foley Award for Excellence in Communications. This year's awardee..Jim Gardner of 6ABC ...my friend and Philadelphia TV broadcast colleague. With us...the iconic Sports journalist , Ray Diding. Ray and I joined Jim today. Ray is the 2020 recipient...and I was the awardee in 2016. We all have tried to use Cardinal Foley's model of "excellence" .. Communications as a sacred trust.

**Congrats, Jim!**

Thank you to the Archdiocese of Philadelphia for a wonderful honor today. After a career of reporting on Popes and covering their historic journeys, to receive an award in the name of Cardinal Foley will be a special memory.
