

# THE JOHN CARDINAL FOLEY SYMPOSIUM

*celebrating*

*World Communications Day*

*May 26, 2022*

**THE JOHN CARDINAL FOLEY SYMPOSIUM**  
*in celebration of World Communications Day*

*Heavenly God,*

*We pray that our celebration of this year's World Communications Day will provide a great opportunity to build the human community through our mutual listening as brother and sisters.*

*As in a choir, unity does not require uniformity, but the plurality and variety of voices. At the same time, each voice in the choir sings while listening to the other voices and in relation to the harmony of the whole.*

*The harmony of our world is conceived by You, the composer of all Creation, but its realization depends on the symphony of each and every one of our human voices.*

*With the awareness that we participate in a communion that precedes and includes us, help us to rediscover the beauty of the human symphony, in which each person is able to sing with his or her own voice, welcoming the voices of others as a gift to manifest the harmony of the whole that, ultimately, your Holy Spirit composes.*

*Amen.*
