What does it mean to be a man?

Challenge your understanding of manhood and become the best version of yourself. This event is not for the faint of heart - it will push you to confront your lower nature and embrace the call to true masculinity. Join us as we explore what it means to die to ourselves and rise to new heights of strength, virtue, and purpose. You will leave this event feeling invigorated and renewed, ready to take on the world with the power of the Cross behind you.
