"The goal of pastoral formation is to form shepherds of God's People; this goal requires men who are not self-centered, aloof, judg- mental, or self-imposing but instead are characterized by a "serene openness" and capable of listening and collaboration. True shepherds must have a desire to understand the hearts of others and engage in attentive accompaniment." — Program of Priestly Formation (6<sup>th</sup> Ed) #367

The purpose of this mid-year progress report is threefold:

- 1. Assist the seminarian in assessing the quality of his first-semester apostolic experience
- 2. Redefine the goals and expectations of the upcoming semester in the light of insights and integration gained through reflection and supervision
- 3. Provide the seminarian and his formation advisor with a focus to discuss the relationship between apostolic formation and other aspects of the seminarian's overall formation

Please evaluate yourself in each of the development areas listed using the scale below:
